

Third meeting of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework
23 August - 3 September 2021
Online

Ítem de la agenda: Balance de los avances en los grupos de contacto y borrador de decisión de la COP

Declaración en nombre del Foro Internacional Indígena sobre Biodiversidad (FIIB), presentada por Ramiro Batzin, copresidente del FIIB

Muchas gracias, señores co-presidente.

El Foro Internacional Indígena sobre Biodiversidad quisiera pronunciarse sobre los avances en los grupos de contacto y en el proyecto de decisión de la COP.

Balance de los avances en los grupos de contacto

El FIIB en primer lugar quiere agradecer a las Partes quienes han apoyado nuestras propuestas en los grupos de contacto.

El FIIB en segundo lugar expresa su preocupación por los pocos avances que se han dado en algunos grupos de contacto.

Por ello, el FIIB solicita tanto al Grupo de Trabajo y a la Secretaría promover activamente la participación de los pueblos indígenas y las comunidades locales en todos los procesos del marco global sobre biodiversidad tales como reuniones formales e informales, consultas temáticas y talleres de capacitaciones, y otros, que se vayan a realizar hasta la reunión presencial del grupo de trabajo así como la misma COP 15, incluyendo la sesión de alto nivel, teniendo en cuenta que aún se precisan mayores acciones positivas para que la participación de los pueblos indígena y comunidades locales sea plena y efectiva, tal como lo mandan las decisiones de la Conferencia de las Partes del Convenio.

Borrador de decisión

El FIIB sugiere las siguientes adiciones al proyecto de decisión de la COP:

- En el párrafo 3, el FIIB sugiere añadir la letra: “g) El programa de trabajo para el artículo 8(j) y las disposiciones conexas y su Plan de Acción global sobre Uso Consuetudinario Sostenible.”

El programa de trabajo del Artículo 8(j) y las disposiciones conexas y su Plan de Acción global sobre Uso Consuetudinario Sostenible adoptado por la decisión XII/12 B, contribuirán a la implementación del marco global de diversidad biológica posterior al 2020.

- El FIIB también sugiere que después del párrafo 7 se agregue un párrafo 7. Bis. que diga lo siguiente:

“7. Bis. Solicita a las Partes que son países desarrollados, a los gobiernos y a las instituciones financieras internacionales para que apoyen las iniciativas de los pueblos indígenas y las comunidades locales para contribuir a la aplicación del marco mundial de la diversidad biológica posterior al 2020.”

Los pueblos indígenas y las comunidades locales están haciendo un gran esfuerzo para conservar la biodiversidad y necesitan apoyo financiero.

Third meeting of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework
23 August - 3 September 2021
Online

Dadas las restricciones prácticas de las negociaciones virtuales, entre las que se incluyen las mayores dificultades para ejercer dialogo bilateral, el FIIB solicita Partes su apoyo a este texto propuesto y reiteremos nuestro interés en continuar un diálogo para asegurar la adopción de marco ambicioso y realístico que incorpore las propuestas de los pueblos indígenas y comunidades locales.

Muchas gracias,

Draft decision-IIFB suggestions in red

The post-2020 global biodiversity framework

The Conference of the Parties,

Recalling its decision [14/34](#), in which it adopted the preparatory process for the development of the post-2020 global biodiversity framework and decided to establish an open-ended intersessional working group to support its preparation,

Noting the outcomes of the first,¹ second² and third meetings of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework,

Also noting the outcomes of the twenty-fourth meeting of the Subsidiary Body on Scientific, Technical and Technological Advice and the third meeting of the Subsidiary Body in Implementation,

Expressing its gratitude to the Co-Chairs of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework, Mr. Francis Ogwale (Uganda) and Mr. Basile van Havre (Canada), for supporting the development of the post-2020 global biodiversity framework,

Also expressing its gratitude to the Governments of (to be completed) for their financial and in kind support to the process for developing the post-2020 global biodiversity framework,

Welcoming the submissions by Parties and observers providing views on the development of the post-2020 global biodiversity framework,

Recognizing that the post-2020 global biodiversity represents a useful and flexible framework that is relevant to all biodiversity-related conventions, agreements and processes,

Recalling the conclusions of the fifth edition of the *Global Biodiversity Outlook*,³ the second edition of the *Local Biodiversity Outlooks*⁴ and the *Global Assessment Report on Biodiversity and Ecosystem Services* of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services⁵ that, despite some progress, none of the Aichi Biodiversity Targets⁶ has been fully achieved and that this undermines the attainment of the 2050 Vision for Biodiversity and other international goals and objectives,

¹ CBD/WG2020/1/5.

Third meeting of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework
23 August - 3 September 2021
Online

Alarmed by the continued loss of biodiversity and the threat that this poses to human well-being and the prospects for reaching the three objectives of the Convention,

1. *Adopts* the post-2020 global biodiversity framework, as contained in the annex to the present decision, as a global framework for action by all Parties and stakeholders to reach the 2050 Vision for Biodiversity and achieve the objectives of the Convention;

2. *Notes* that the implementation of the post-2020 global biodiversity framework will be monitored through its monitoring framework;⁷

3. *Also notes* that the implementation of the post-2020 global biodiversity will be supported through other relevant decisions adopted by the Conference of the Parties at its fifteenth meeting and, in particular, those addressing the following:

(a) The enhanced multidimensional approach to planning, monitoring, reporting and review;⁸

(b) The updated plan of action on subnational governments, cities and other local authorities for biodiversity;⁹

(c) The strategy for resource mobilization;¹⁰

(d) The long-term strategic framework for capacity-building and development to support nationally determined priorities for the implementation of the post-2020 global biodiversity framework;¹¹

(e) The gender plan of action for the post-2020 period;¹²

(f) The communications strategy for the post-2020 global biodiversity framework,¹³ which will support and contribute to the implementation of the post-2020 global biodiversity framework;

(g) The programme of work for Article 8(j) and related provisions and its global Plan of Action on Customary Sustainable Use;

4. *Reiterates* the fact that the role of the Conference of the Parties is to keep the implementation of the Convention under review, and *decides* that, at each of its future meetings, the Conference of the Parties will review progress in the implementation of the post-2020 global biodiversity framework, share experiences that are relevant for implementation and provide guidance on means to address any obstacles encountered;

5. *Decides* to consider at its sixteenth meeting the need for and possible development of additional mechanisms or enhancements to existing mechanisms to enable Parties to meet their commitments under the Convention and the implementation of the post-2020 global biodiversity framework;

⁷ Decision 15/--

Third meeting of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework
23 August - 3 September 2021
Online

6. *Urges* Parties, in particular developed country Parties, and *invites* other Governments and international financial institutions, regional development banks, and other multilateral financial institutions to provide adequate, predictable and timely financial support to developing country Parties, in particular the least developed countries, small island developing States, as well as countries with economies in transition, to enable the full implementation of the post-2020 global biodiversity framework, and *reiterates* the view that the extent to which developing country Parties will effectively implement their commitments under this Convention will depend on the effective implementation by developed country Parties of their commitments under this Convention in connection with financial resources and transfer of technology;

7. *Requests* the Global Environment Facility to provide adequate, timely and predictable financial support to eligible countries with a view to enabling the implementation of the post-2020 global biodiversity framework;

7. Bis. Request to the developed country Parties, Governments, international financial institutions to support indigenous peoples and local communities initiatives to contribute to the implementation of the post-2020 global biodiversity framework.

8. *Emphasizes* the need for capacity-building activities and the effective sharing of knowledge, in order to support all countries, especially developing countries, in particular the least developed countries, small island developing States and countries with economies in transition, as well as indigenous peoples and local communities, in the implementation of post-2020 global biodiversity framework;

9. *Urges* Parties and other Governments, with the support of intergovernmental and other organizations, as appropriate, to implement the post-2020 global biodiversity framework, consistent and in harmony with the Convention and other relevant international obligations, and, in particular, to enable participation at all levels, with a view to fostering the full and effective contributions of women, indigenous peoples and local communities, civil society organizations, the private sector and stakeholders from all other sectors, in the full implementation of the goals and targets of the post-2020 global biodiversity framework and the achievement of the objectives of the Convention;

10. *Urges* relevant agreements, processes and organizations to consider the development or updating of relevant strategies and frameworks, as appropriate, as a means of complementing and supporting national actions and of contributing to the implementation of the post-2020 global biodiversity framework;

11. *Invites* Parties and other Governments at the forthcoming meetings of the decision-making bodies of the other biodiversity-related conventions and other relevant agreements to consider appropriate contributions to the collaborative implementation of the post-2020 global biodiversity framework;

12. *Invites* the United Nations Environment Programme, in particular its regional offices, as well as the United Nations Development Programme and the Food and Agriculture Organization of the United Nations, working at the country level, to facilitate activities designed to support the implementation of the Convention and the post-2020 global biodiversity framework, in cooperation with other relevant implementation agencies;

13. *Invites* the Environment Management Group and the Biodiversity Liaison Group to identify measures for effective and efficient implementation of the post-2020 global biodiversity framework across the United Nations system and to submit a report on their work to the Conference of the Parties at its sixteenth meeting;

14. *Requests* the Executive Secretary:

Third meeting of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework

**23 August - 3 September 2021
Online**

- (a) To promote and facilitate, in partnership with relevant international organizations, including indigenous peoples' and local community organizations, activities to strengthen capacity for the implementation of the post-2020 global biodiversity framework;
 - (b) To develop, for consideration by the Subsidiary Body on Implementation at a meeting held prior to the sixteenth meeting of the Conference of the Parties, options for the further enhancement of implementation of the Convention, including through the further development of capacity-building programmes, partnerships and the strengthening of synergies among conventions and other international processes;
 - (c) To develop guidance materials, including the identification of possible actions, for the goals, targets and other elements of the post-2020 global biodiversity framework.
-
